

“EVERY BLOOD DONOR IS A HERO”

1 Pint can save 3 lives.

Give Blood Give Life.....

Bali, Indonesia — This blood donation drive is the first to be held this year and in partnership with the UDD PMI Bali Province, it will be an opportunity to support this essential life-saving cause that also serves to raise awareness for the need for blood donations also as part of commitment towards the community. We invite everyone to join us and donate your blood to save lives. We look forward to many volunteers to demonstrate our caring spirit!

Prior to the donation, each potential donor will be screened to ensure that they are fit to give blood. This health screening will also give potential donors the opportunity to learn about their blood pressure rate and hemoglobin count. For first-timers, this will be a chance to find out their blood type.

“We hope that our first blood donation drive for this year will attract new and previous donors alike. If you have never donated before, do drop in for a short free medical check and see the simple and quick process of an individual donation. Light refreshments will be served and we look forward to seeing more people donate and help save lives”, said Yunita Rachmawati (Human Resources Manager – Bali Paragon Resort Hotel)

Najeeb Abdullah, General Manager for Bali Paragon Resort Hotel, added “We hope that *our first blood donation drive* for this year will attract response from volunteers that included both hotel employees as well as local residents. I would like to thank all participants and associates who responded to our call for blood. Every blood donor is a hero who helps to save lives”.

To assist those needing blood transfusions, the Red Cross asks for donor’s long-term support in continually donating blood. Through this event, we hope to increase people’s awareness of this necessity, so we ask your cooperation in sharing the details.
